

Cleverness

CONGENIAL

You need:  
pen and paper, stopwatch

The gamemaster chooses a category: country + capital, car brand + model, sports clubs + players. „A“ and „B“ write down terms for one part of the double on separate sheets of paper, e.g. England („A“) and London („B“). All teams play at the same time without speaking.

How many matching pairs can you make in 90 seconds?

GEBOT	5	8	12	16
PUNKTE	1	2	3	4

Championship

BULLFIGHT

You need:  
1 pen per person

„A“ and „B“ make a fist and stretch out the little finger and the index finger. Everyone balances a pencil on these both fingers. All teams line up in a circle and try to knock down the opposing pens with only their "bull". Whoever loses their pencil is eliminated.

Everyone joins in! The last player still in the game gets 3 points for his team.

Physical Awareness

SATELLITE

You need:  
1 coin, stopwatch

„A“ and „B“ stand back to back and each on one leg only. You have to pass a coin around both of you. If the coin falls, the attempt ends.

How many complete rounds can you do in 30 seconds?

OFFER	4	6	8	10

Skill

ALLEZ HOPPI

You need:  
1 coin, 2 spoons

„A“ and „B“ each hold a spoon. There is a coin in „A's“ spoon. „A“ throws the coin upwards and „B“ has to catch it with his spoon. Then „B“ throws the coin up in the air and „A“ tries to catch. It goes back and forth like this.

You have 10 attempts - how often do you catch the coin?

SOUNDS'N' THINGS

You need:  
sheet of paper, pen

The game master chooses a category: bird species, bands, superheroes, spices. „A“ hums or buzzes a sound. As long as the sound is heard, „B“ writes down matching terms. When the sound stops, the task ends.

How many words do you manage?

Raise your bids in turn, the highest bidding team plays for 3 points.
