

Cleverness

## TIME-PUNCH MACHINES

**You need:**

stopwatch, a piece of paper

"A" and "B" are to stop together as exactly as possible for 40 seconds on the timer. "A" starts the clock and stops at some point. Then "B" lets the clock run on and stops again. The display must be covered the whole time (e.g. with a piece of paper) so that no one can cheat secretly.

**What is your margin of error?**

|        |      |     |     |     |
|--------|------|-----|-----|-----|
| OFFER  | 10 s | 82s | 54s | 25s |
| POINTS | 1    | 2   | 3   | 4   |

Physical Awareness

## KANGAROOS

**You need:**

measuring tape

"A" and "B" face each other at a distance of 2 meters. Both should jump towards each other at the same time. If the bodies touch at any point, the attempt is invalid. You have 2 attempts, the better one counts.

**How small is the distance between your feet after landing?**

|        |      |      |      |      |
|--------|------|------|------|------|
| OFFER  | 70cm | 50cm | 25cm | 10cm |
| POINTS | 1    | 2    | 3    | 4    |

Physical Awareness

## KNOCKOUT-CAROUSEL

**You need:**

stopwatch

"A" and "B" give each other high fives. After each stroke, both must rotate once around their own axis. During the challenge the direction of rotation may not be changed.

**How many high fives can you do in 30 seconds?**

|        |    |    |    |    |
|--------|----|----|----|----|
| OFFER  | 10 | 13 | 16 | 20 |
| POINTS | 1  | 2  | 3  | 4  |

Bid'em up

## SDRAWKCAB

**You need:**

stopwatch

The gamemasterteam chooses a category: fruits, vegetables, cities, verbs. "A" names a term from the category, "B" has to spell it backwards. "A" and "B" take turns. If they make a mistake, they move on to the next term.

**How many correct words can you spell in 1 minute?**

Raise your bids in turn, the highest bidding team plays for 3 points.

Skill

## OO NINJA

**You need:**

1 sheet of toilet paper per team

"A" and "B" are facing each other. "A" holds a sheet of toilet paper in the air. "B"'s hand must be at least 30 cm away from the sheet, then "A" lets go and "B" has to catch the sheet with thumb and index finger only. If it touches the ground, the attempt has failed.

**You have 6 attempts - how many catches do you think you can make?**

|        |   |   |   |   |
|--------|---|---|---|---|
| OFFER  | 1 | 2 | 4 | 5 |
| POINTS | 1 | 2 | 3 | 4 |

Championship

## SOLID TEAR

**You need:**

1 sheet of paper (DIN A4) per team, stopwatch

"A" and "B" try to tear out a continuous piece as possible from an A4 sheet with only one hand each.

You have 1 minute. After that, you can fold and smooth your piece, but you can't tear it anymore. All teams play at the same time.

**The team with the longest piece earns 3 points.**
